## REFERENCE TO SIRE—

## BAPTON

BAPTON CROCUS ROBIN (22174)—sire, Bapton Brave Robin; dam, Bapton Mary Crocus.

Bapton Crocus Robin was 2nd in his class at Perth in 1963, when he was purchased for Ardenbennie at 3500 guineas. His sire, Bapton Brave Robin, a massive bull, with tremendous bone, was a double grandson of Bapton Constructor, whilst his dam, Bapton Mary Crocus, an outstanding female of this famous Bapton Crocus family, among her many show successes, won four supreme championships. She was by Bapton Enterprise, who sold for £12,000 in the Argentine in 1953. His first crop of calves at Perth in February, 1965, averaged just over £2000, making him the top sire of that year, and, in 1966, he sired Ardenbennie Keystone, junior and reserve supreme champion, and sold for 1500 guineas. In 1968 another son, Ardenbennie Loch Broom, sold at Perth in February, became reserve male champion at the R.A.S.E. Show and supreme breed champion at the Great Yorkshire Show. At Perth in 1969 another son, Ardenbennie Minstrel, was reserve two-year-old champion and sold for 1400 guineas, the top price of the sale. Bapton Crocus Robin died in September, 1968.

## BURNTON

BURNTON SANTA CLAUS (26092), born 21st May, 1964—sire, Beaufort Graduate; dam, Burnton Eliza Pearl.

Burnton Santa Claus, a massive white bull with tremendous bone, was purchased at Perth in February, 1966, when he was 2nd in his class, for 2200 guineas. He was the sire of Ardenbennie St. Andrew, supreme champion at Perth in February, 1969.

**REFERENCE TO SIRES—**

**LOUADA**

CONSTRUCTOR (P) (137), red, calved 15th October, 1959, bred by Louada Farms, Ltd.—sire, Bapton Constructor (6414); dam, (X498233) Queen of Hearts A.F. 3rd (P) by Camson Better News (329171).

Constructor (P) is regarded by many as one of the best-headed Polled Shorthorn bulls in the breed to-day. He is a bull with tremendous bone and substance and great hind legs. Of a beautiful, dark red colour, he is the only polled bull in the world by the great Bapton Constructor, and is from the same Thiemann Queen of Hearts family as the great Bapton show cow, Queen of Hearts 18th (P). Camson Better News is by Calrossie Good News, who was 1st at Perth in 1949 and was reserve junior champion and a member of all the championship groups, and was later sold to the Saltoun Herd for 6000 guineas. Constructor (P) was never beaten by any Polled Shorthorn in Britain. During the show season of 1963 his winnings included male and supreme champion at the Royal Northern Show, male champion (in both the Horned and Polled competition) at Eilon; male and supreme champion at Turfitt; and male and reserve supreme champion (in both the Horned and Polled competition) at Keith. In actual fact, he divided the two great Bapton cows, which were supreme champion and reserve supreme at the Royal Highland Show. He has been used extensively on a lot of the old, horned, Bapton females, and over 75% of his calves out of these cows have been polled. In 1964, Constructor (P) won many prizes, including male champion at the R.A.S.E. Show—the first time this coveted award has been won by a Polled Shorthorn, and, along with Bapton Queen Janetta, re-won by a Polled Shorthorn, and, along with Bapton Queen Janetta, re-presented the Beef Shorthorn in the Burke Trophy competition. In 1965, at the R.A.S.E. Show, a daughter of Constructor (P), Rona Blythesome of Bapton (P), won the female championship—the first time ever that a Polled Shorthorn has won this award, and she, along with Denend Glenlake, stood reserve in the Burke Trophy inter-breed competition. Constructor (P) weighed over one ton when going round the 1964 summer shows. He was sold to Major The Rt. Hon. R. H. Turton to head his Polled Shorthorn Herd at Upsall Castle.

**BURNTON**

BURNTON BLANCO (26083)—sire, Beaufort Graduate; dam, Burnton Clara Clem by Beaufort Chevalier; g-dam, Leila Clara.

Burnton Blanco, with his great head and strong bone, sired a number of great calves, including Upsall Benefactor, the much admired 5th prize winner in last year's, supreme champions', South Africa Trophy class. He was purchased privately from Mr. Anderson. Beaufort Chevalier is out of Mr. Marshall's best breeding families. Leila Clara cost 1200 guineas at the Cruggleton Dispersal.
